

# Show Some Love (Ranny Cha Cha Dub)

## First Ladies of Disco

Uh-oh, uh-oh, uhh-ohh  
Uh-oh, uh-oh, uhh-ohh I'm tired of the drama  
Tired of the games  
Don't wanna play a part in this  
It's driving me insane  
I'm only human  
And things go wrong  
They can try to break me  
But I will come back strong We can make it alright  
Bathing in the sunlight  
Love, can come easy (easy)  
Leave your trouble behind  
Get what money can't buy  
Love, can come easy We are here - let's have a good time  
We are here - we got tonight (tonight)  
We are here-ere-ere to love, to love, to love  
Show some love (show some) If you love somebody, say  
Uh-oh, uh-oh, uhh-ohh  
If you love somebody, say  
Uh-oh, uh-oh, uhh-ohh  
If you love somebody, say  
Uh-oh, uh-oh, uhh-ohh  
Show some love  
Show some lo-o-o-o-ove Uh-oh, uh-oh, uhh-ohh (show some love)  
Uh-oh, uh-oh, uhh-ohh (yeaaahh) So many people hating  
Many people sad  
Always seems to be a reason  
For someone to be mad (so mad!)  
They never show you good news  
It's all bad on TV  
They're always trying to tell you  
Nothing good comes free We can make it alright  
Running all the red lights  
Love, can come quickly (quickly)  
Scrap the past and rewrite  
Time for us to take five  
Love, will come easy We are here - let's have a good time  
We are here - we got tonight (we got tonight)  
We are here-ere-ere to love, to love, to love

Show some love If you love somebody, say  
Uh-oh, uh-oh, uhh-ohh  
If you love somebody, say  
Uh-oh, uh-oh, uhh-ohh  
If you love somebody, say  
Uh-oh, uh-oh, uhh-ohh (everybody)  
Show some love  
Show some lo-o-o-o-ove I hear cabbies yelling on the street  
War and fear all on the repeat  
When we gonna stop, and just breathe  
Is tomorrow gonna come, no guarantees  
So give me all your heart tonight  
Just open up your mind and smile  
We've got more than enough  
So show some, show some lo-ooo-ooo-ve (oooh, yeaaah) Uh-oh, uh-oh, uhh-ohh  
Show some love (come on everybody out here)  
Show some lo-o-o-o-ove We are here - let's have a good time  
We are here (put your hands up) - we got tonight (we got tonight)  
We are here-ere-ere to love, to love, to love  
Show some love (show some love) If you love somebody, say  
Uh-oh, uh-oh, uhh-ohh  
If you love somebody, say  
Uh-oh, uh-oh, uhh-ohh  
If you love somebody, say  
Uh-oh, uh-oh, uhh-ohh  
Show some love  
Show some lo-o-o-o-ove (show some love) Uh-oh, uh-oh, uhh-ohh  
If you love somebody, say  
Uh-oh, uh-oh, uhh-ohh
