

Shy Guy

Mya

I don't want no fly guy
I just want a shy guy
That's what I want, yeah
You know what I want, yeah Oh Lord, have mercy, mercy, mercy
You know I like to party, party, party
All the boys are sexy, sexy, sexy
Watch them follow me, follow me, follow me Everywhere I go, the boys they rush me
Yes, I wanna pretty boy who wanna love me
It's me that they love, yes it's me that they love Yes, they want me, call me sexy
Everywhere I go they wanna sex me
It's me that they love, yes it's me that they love But I don't want somebody who's lovin' everybody
I need a shy guy, the kinda guy who will always be mine Oh Lord, have mercy, mercy, mercy
You know I like to party, party, party
All the boys are sexy, sexy, sexy
Watch them follow me, follow me, follow me Mercy, mercy, mercy
I want you to move me, move me, move me
Shy guy, know you want it, want it, want it
Only you can make me irie, irie, irie Boys with swagga, watch out for them
Hot top swag with any women
It's me that they love, yes it's me that they love Everywhere I go they wanna sex me
Body on point but they mind not ready
It's me they love, but I want real love See I don't want somebody who's lovin' everybody
I need a shy guy, the kinda guy who will always be mine Oh Lord, have mercy, mercy, mercy
You know I like to party, party, party
All the boys are sexy, sexy, sexy
Watch them follow me, follow me, follow me Mercy, mercy, mercy
I want you to move me, move me, move me
Shy guy, know you want it, want it, want it
Only you can make me irie, irie, irie Oh Lord, have mercy, they look so good
But be afraid that they'll hurt me
I prefer a one woman man
Dedicated who understands Help me out now, two drinks in my system
I like to party but I won't be a victim
Oh no, need a shy guy to give me love
I'm feeling good, shy guy what's up? Oh Lord, have mercy, mercy, mercy
You know I like to party, party, party
All the boys are sexy, sexy, sexy
Watch them follow me, follow me, follow me Mercy, mercy, mercy
I want you to move me, move me, move me

Shy guy, know you want it, want it, want it
Only you can make me irie, irie, irieOh Lord, have mercy, mercy, mercy
You know I like to party, party, party
All the boys are sexy, sexy, sexy
Watch them follow me, follow me, follow meMercy, mercy, mercy
I want you to move me, move me, move me
Shy guy, know you want it, want it, want it
Only you can make me irie, irie, irieShy guy, I want a shy guy
I need a shy, I want a shy, I need a shy guy
I need a shy guy, I want a shy guy
I need a shy, I want a shy, I need a shy guyI don't want nobody if it ain't you baby
I just want somebody I can call my baby
A shy guy, the kinda guy who will always be mineI don't want nobody if it ain't you baby
I won't give my love just to anybody
A shy guy, the kinda guy
