

# Sweetest Love

## Immature

Chorus

Sweetest Love, Sweetest desire  
Sweetest love, one and only desire I fell in love from the moment we met  
You looked into my eyes I knew  
There wasn't one thing I wouldn't do  
Just to be with you Chorus  
Hold me and say I'm the one that you love  
And there's no one else but me girl  
And we'll take this time to promise each other  
We'll be together forever Chorus
