You Never Lied

Morgan James

Now you're gone, I got nothing left.
Too tired to try again. I was wrong, thought that you were right for me.
I am here in the emptiness, too dark to see your face.
I was strong, thought that I could make your right for me...
Wish I never tried, looking back on all the wasted time. You told me from the start that you were never mine,
You never lied.You were there, I was just a mess. Too broken down to see. Now, I know, you could never make it right for me.
Wish I never tried, looking back on all the wasted time,
You told me from the start that you were never mine,
You never lied.You think that they show you, your eyes never see!
When somebody tells you the truth, you better believe.
Now, you're gone.. I got nothing left, I gave you everything.
Wish I never tried! Looking back on all the wasted time. You told me from the start you were never mine,
You never lied.No, looking back on all the wasted time,
Looking back you never tried to hide,
Now I see the truth was in your eyes.
You told from the start that you were never mine.
You never lied.
