

Bring Me The Disco King (Danny Lohner Mix)

David Bowie

You promised me the ending would be clear
You'd let me know when the time was now
Don't let me know when you're opening the door
 Stab me in the dark, let me disappear
 Memories that flutter like bats out of Hell
 Stab you from the city spires
 Life wasn't worth the balance
Or the crumpled paper it was written on
 Don't let me know we're invisible
 Don't let me know we're invisible
 Hot cash days that you trailed around
 Cold cold nights under chrome and glass
 Led me down a river of perfumed limbs
 Sent me to the street with the good time girl
 Don't let me know we're invisible
 Don't let me know we're invisible
 We could dance, dance, dance through the fire
Dance, dance, dance through the fire
 Feed me no lies
 I don't know about you, I don't know about you
 Breathe through the years
 I don't know about you, I don't know about you
 Bring me the Disco King
 I don't know about you, I don't know about you
 Dead or alive
 Feed me no lies
 Bring me the Disco King, bring me the Disco King
 Bring me the Disco King, bring me the head of the Disco King
 Spin-offs with those who slept like corpses
 Damp morning rays in the stiff bad clubs
 Killing time in the 70's
 Smelling of love thru' the moist wind
 Don't let me know when you're opening the door
 Close me in the dark, let me disappear
 Soon there'll be nothing left of me
 Nothing left to release
 Dance, dance, dance through the fire
 Dance, dance, dance through the fire
 Tell me no lies
 I don't know about you, I don't know about you
 Breathe through the years
 I don't know about you, I don't know about you

Bring me the Disco King
I don't know about you, I don't know about you
Breathe through the years
Dead or alive

Bring me the Disco King, bring me the Disco King
Bring me the Disco King, bring me the Disco King
Bring me the Disco King, bring me the Disco King
Bring me the Disco King, bring me the Disco King
