

Longtime

NZH

This is the way the world ends
This is the way the world ends
This is the way the world ends
Not with a bandYou come, you go
 I see you, it snows
 I see you, it's fine
Let it happen slowlyYou come and you go
 You've got a life, and that's fine
 But you're here, and you're mine
I haven't seen you in a long timeYou come, you go
 I see you, it snows
 I see you, it's fine
Let it happen slowlyAnd you come and you go
 You've got a life, and that's fine
 But you're here, and you're mine
I haven't seen you in a long timeGonna make it, gonna do it
 Now it's dark, now it's time
 Gonna make it, gonna do it
Through the darkness you're mineYou come and you go
 I see you, it snows
 I see you, it's fine
Let it happen slowlyAnd you come and you go
 You've got a life, and that's fine
 But you're here, and you're mine
I haven't seen you in a long timeGonna make it, gonna do it
 Now it's dark, now it's time
 Gonna make it, gonna do it
Through the darkness you're mineYou come and you go
 I see you, it snows
 I see you, it's fine
Let it happen slowlyAnd you come and you go
 You've got a life, and that's fine
 'Cause you're here, and you're mine
I haven't seen you in a long timeThe way it's going to happen
 It's the way it's going to go
 It's the only way to do it
It's the only way I knowThe way it's going to happen
 It's the way it's going to go
 It's the only way to do it

It's the only way I knowThe way it's going to happen
It's the way it's going to go
It's the only way to do it
It's the only way I knowThe way it's going to happen
It's the way it's going to go
It's the only way to do it
It's the only way I know
