

Heaven Only Knows (Grand West Coast Remix)

[k-os](#)

Yeah, got it, the remix
[Incomprehensible], yeah
Turn this up, yo
Heaven only knows if they heard this
Heaven only knows if they heard me, yeah
You know what? Heaven only knows
'Cuz I don't understand, understand now
Won't you tell me, please? Tell me
What's the master plan? Master plan Spent so many days, many days
Sitting on a cloud, sitting on a cloud
Heaven only knows, only God knows
So I'll just move the crowd
Yo, tell 'em, tell 'em
Now, now, now I break out my physical shell and excel
Past the so called body used to go to the party
But now I sit and chill with the pen and a pad
Dropping ill philosophical science Me and my dad, we talk about life and how it started
How we departed from lights path and probable right math
The task at hand is makin' people understand
That we're not who we think we are Within this land of lost the cost of souls could be so high, high
People be gettin' high, high, wonderin' why we die?
But it's all planned, right, to get your fear take the hand
We keep on returnin', 'cuz the lessons need learnin' Concernin', what? The fact I sing and I rap
I hold this mic contact
Critics can step back and analyze
I energise with cosmic rays of days they ignore
[Incomprehensible] Heaven only knows
'Cuz I don't understand, don't understand
Won't you tell me, please? 'Cuz I pray everyday
What's the master plan? The master plan Spent so many days, many days
Sitting on a cloud, sitting on a cloud
Heaven only knows, only God knows
So I'll just move the crowd
So, uh riddle me this
Riddle me this like this Melodical prodigal flows, hypnotical blows to brain pieces, Telekenisis
When I reach this pinnacle cynical clinical
Microphone autobots waitin' on lotto spots
Tryin' to rock But yo they can't understand
There's only one plan, the time is at hand

In the year two zero one one
 The people of the sun return to free the righteous children
 Now, I know you want to be on top of the world
 Givin' a diamond and pearl to your girl watchin' your jaccuzi swirl
 Seems like material lust
 We need to look up to the Heavens for imperial trust me
 It's kinda hard when you rhyme sometimes
 Everybody wants to scrutinize, redefine who you are
 But every person is a star, so let your light shine far
 And praise God
 Heaven only knows, only knows now
 'Cuz I don't understand, don't understand now
 Won't you tell me, please? Tell me, please
 What's the master plan? I wanna know the plan
 Spent so many days, many days
 Sitting on a cloud, sitting on a cloud
 Heaven only knows
 So I'll just move the crowd
 If you feel this, uh
 Sing it with me like
 Sing it with me like
 Everybody, uh
 Sing it with me like
 La, la, la
 I'll just move the crowd for now
 Gotta move the crowd
 Gotta move the crowd
 Gotta move the crowd
 La, la, la
 I'll just move the crowd for now
 S, somebody told me, they said, uh
 If you free them they will start revolution
 And Babylon cannot defeat them
 Right and they don't want that
 And they don't want that
 If you free them, free them, they will start revolution
 And babylon cannot defeat them
 Mind revolution
 Mind revolution
 And so uh, uh, my sister Sage
 And my girl Graf, you know the time
 The shadow thorn and S love
 And Agel and a the figure four
 Uh, huh, the Rascalz
 And uh, and Kardinal
 And uh, my mom and dad
 Uh, my brother A
 And uh, my brother J
 And uh the whole world
 Uh, huh, the T dot
 Uh, huh, the Van city
 Uh, huh, the whole world
 Uh, huh, you get love
 Uh, huh, yo, yo yo, yo, alright
