

# The Dream Within

**Lara Fabian**

Free the dream within  
The stars are crying a tear  
A sigh escapes from heaven, and worlds end  
Breathe the dream within  
The mystifying  
We tremble and spin, suspended within  
Look beyond where hearts can see  
Dream in peace  
Trust love, believe  
We tremble and spin, suspended within  
Free the dream within  
The voices calling a song  
A prayer from deep inside you  
to guide you  
Be the dream within  
The light is shining  
A flame on the wind  
Salvation begins  
Look beyond where hearts can see  
Dream in peace  
Trust love, believe  
We tremble and spin, suspended within  
Free the dream within  
The stars are crying a tear  
A sigh escapes from heaven  
And worlds end
