Bears

Sam Isaac

I want to live in a house
Surrounded by snow and bears and wood and stars.
And all along the front of this stage
There will be fairy lights, as bright as any city night.
I was lost in the night time.
How am I a stranger to you when we're friends?
I am young and I've made awful mistakes.
You are older and you'd do the same.This dashboard is staying cold.
I'm so scared of the truth and automatic doors.
I'm proud of this map I've drawn.
These paper lines with red pins on.
We're going to tell it just how it is.
We're not comfortable.
We're unhappy here.I was lost in the night time.
How am I a stranger to you when we're friends?
I am young and I've made awful mistakes.
You are older and you'd do the same.
You'd do the same.Ahhhh...I was lost in the night time. (Ahh...)
How am I a stranger to you when we're friends? (Ahh...)
I am young and I've made awful mistakes. (Ahh...)
You are older and you'd do the same. (Ahh...)
You'd do the same. (Ahh...)I want to live in a house
Surrounded by snow and bears and wood and stars.
And all along the front of this stage
There will be fairy lights, as bright as any city night.
