

Are You Ready (feat. Capital J)

Bassnectar

When the little guns come
And they come wanna bust guns
And they run when I come with that warrior song
Got my back to the sun, when I rise I'm the one, chosen for the day proud
I'm the warrior's son
When the little guns come
And they come wanna bust guns And they run when I come with that warrior song
Got my back to the sun, when I rise
I'm the one, chosen for the day proud
I'm the warrior's son
