Solo: A sinners prayer

A sinners prayer umh

A sinners prayer

A sinners prayerChrous: I could have been dead

sleeping in my graveSolo: oh ohChrous: but God blessed me too seeSolo: another dayChrous: to see another day

even when i did wrong

he was still there

Solo: Still there

I'm so glad that God still hear a sinner's prayer

Solo: Ya'll don't believe that

I'm so glad that God still hear a sinner's prayeri walked to the church ya'll

on a sunday morning

stood outside contemplating

whether i should walk through the door

you see

a lot of folks know me

from way back when

people holding me to

all those past sins

but i know all have sinned

and come short of his glory

i'm just glad i'm still here

to tell the story

i could have been dead

sleeping in my grave

but God blessed me to see another day

and even when I did wrong

and even when I did wrong

he was still there

i'm so glad that God still hears a sinner's prayer

i'm so glad that God still hears a sinner's prayerWait a minute listen now

He that's without sin

you can cast the first stone

cause anit nobody perfect

but the man sitting on the throne

now its about time for us to stop

judging one another

stop acting holier than thou

and start lifting up your brother
cause i know
all have sinned
and come short of his glory
i'm just glad that i'm still here to tell the story i could have been dead
sleeping in my grave
but God blessed me
to see another day even when i did wrong he was still there
I'm so glad that God still hear a sinners prayer
I'm so glad that God still hear a sinners prayer
now let me pray let me pray Our father
which art in heaven
hallowed be thy name
thy kingdom come
thy will be done
on earth as it is in heaven
now give us this day
our daily bread
and forgive us our debts
as we forgive our debtors
and lead
us not into temptation
but deliver us deliver us
from evil
for thine is the kingdom
power and glory for ever and ever
for ever and ever I'm so glad
