

# Gold (Album Version)

## Beverley Knight

Some people never recognize it  
Though it's right before their eyes  
And shines in all its glory, they never ever see  
They choose something that looks just like it  
And it may glitter all the timeBut gold it will never be  
I guess you never held on to quality  
Or you woulda recognized by now  
Something so special so true  
When it's standing right in front of youI'm gold, babe, catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe, you're looking at the real thing  
If you knew my worth, you wouldn't let goI'm gold, babe, catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe, you're looking at the real thing  
If you knew my worth, you wouldn't let go, oh noGold lies in rivers undiscovered  
Hidden from the sight of those  
Who don't know what to look for  
(They ain't never gonna find it)Sometimes the value is uncovered  
Other times it's cast aside  
By those who are just unsureI guess you never held on to quality  
Or you would of recognized by now  
Something so special so true  
When she's standing right in front of youI'm gold, babe, catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe, you're looking at the real thing  
If you knew my worth, you wouldn't let goI'm gold, babe, catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe, you're looking at the real thing  
If you knew my worth, you wouldn't let go, oh noAll the things you failed to see  
Separated you from me  
I decide who wins my time  
And who comes inside, yeah'Cause what is true and what is real  
Finds a way of being revealed  
I don't have to even try  
'Cause I'm certified pureI'm gold, babe, catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe, you're looking at the real thing  
If you knew my worth, you wouldn't let goI'm gold, babe, catch me in the slipstream  
Passing by the fools who just don't know

Pure gold, babe, you're looking at the real thing  
If you knew my worth, you wouldn't let go, oh no I'm gold, babe, catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe, you're looking at the real thing  
If you knew my worth, you wouldn't let go I'm gold, babe, catch me in the slipstream  
Passing by the fools who just don't know  
Pure gold, babe, you're looking at the real thing  
If you knew my worth, you wouldn't let go, oh no
