

All I Want Is You (This Christmas)

*NSYNC

Snowy night, where it's warm here by the fire

Here with you, I have all that I desire

(Here with you)

It's been a long year but somehow we got by

Now, it's Christmas eve and love is on our side I don't need a hundred gifts beneath the tree

(Beneath the tree)

Don't you know the best thing you could give to me

Nothin' else will do, all I want is you this Christmas

(This Christmas, this Christmas) Children sing Christmas carols at our door, yeah, yeah, yeah

(Children sing)

Spreading joy, that's what Christmas time is for

(Spreading joy)

Though we don't have much, you've got me and I've got you

Yeah, yeah, yeah and with a little faith miracles come true And I don't need a hundred gifts beneath the tree

(Beneath the tree)

Don't you know the best thing you could give to me

Nothin' else will do, all I want is you this Christmas

(This Christmas, this Christmas) I don't want the love of any other girl

I want only one thing in this whole wide world

Nothing else will do, all I want is you this Christmas

(This Christmas, this Christmas) Cheek to cheek, the lights are low, a kiss beneath the mistletoe

Your face lit by the fire's glow, that's all I want tonight And I don't need a hundred gifts beneath the tree

Don't you know the best thing you could give to me

Nothin' else will do, all I want is you this Christmas

(This Christmas, this Christmas)

Nothin' else will do, all I want is you this Christmas, yes
