

Rock N Roll

[Ryan Adams](#)

Everybody's cool playing rock n roll
Everybody's cool playing rock n roll
I don't feel cool, feel cool at all
I don't feel cool, feel cool at all Send all of my best out to the band
Send all of my best out to the band
I don't think I'll make it out to the show
I don't think I'll make it out to the show There's this girl I can't get out of my head
There's this girl I can't get out of my head
And I don't feel cool, feel cool at all
