

# Story Of My Life

Frankie J

(Lay, lay, lay)  
This is the story of my life  
This is what I've go through  
On my every day basis  
Just try and live this Lay your head on my shoulder  
Everything is gonna be alright, baby, don't you cry, yeah  
Don't you worry 'bout a thing, I see a rainbow at the end  
It's gonna be alright  
(Everything gonna be alright) So many problems around me  
Dammit won't they just go away, every night I pray, yeah  
Lord, won't you come my way, won't you come and rescue me  
Help me see the light, yeah, yeah, yeah What do you do when your water runs dry  
When your greens and your blues turn to black and white  
It's the story of my life when the fires get out  
Can you turn 'em off, oh, can you turn 'em off I've tried so hard to make it  
Tried to do the best I could, tried to do some good, yeah  
Like the people that I could, like my family if you would  
Trying to live a better life  
(I think just try to live) Fake friends always around me  
Trying to be up in my scoop, acting like they cool, yeah  
They don't know that I ain't blind, so stop trying to waste my time  
And go on with your bull, yeah, yeah, yeah What do you do when your water runs dry  
When your greens and your blues turn to black and white  
It's the story of my life when the fires get out  
Can you turn 'em off, oh, can you turn 'em off What do you do when your water runs dry  
When your greens and your blues turn to black and white  
It's the story of my life when the fires get out  
Can you turn 'em off, oh, can you turn 'em off Cada vez que siento que el mundo se me esta cerrando  
Solo pienso en escaparme del mal y cada vez que siento  
Que el aire se me esta acabando solo pienso en volar  
Hasata donde nadie me pueda encontrar What do you do when your water runs dry  
When your greens and your blues turn to black and white  
It's the story of my life when the fires get out  
Can you turn 'em off, oh, can you turn 'em off
