

The First Time

Surface

You know I won't forget
The times we shared together holding hands
And walking in the parkSometimes we'll have to do it all again
We were so happy then
I have no regretsCan't you tell from the look on my face
That I love you more todayThe first time I looked into your eyes I cried
Do you remember the first time
We fell in loveYou looked into my eyes
Wiped the tears away
The first time
When we fell in loveAlthough some time has passed
I still remember just like it was yesterday
But time is moving fastThe love I have for you
Time won't ever change
I'll always feel the same
Now until the endMemories we share will live forever
Deep inside my heart, I know I'll never forgetThe first time I looked into your eyes I cried
Do you remember the first time
We fell in loveYou looked into my eyes
Wiped the tears away
The first time
When we fell in loveThe first time I looked into your eyes I cried
Do you remember the first time
When we fell in loveYou looked into my eyes
Wiped the tears away
The first time
When we fell in love
Oh, when we fell in love
