

Courage

The Tragically Hip

Watch the band through a bunch of dancers
Quickly, follow the unknown with something more familiar.
Quickly something familiar
Courage, my word it didn't come it doesn't matter

Sleepwalk, so fast asleep in a motel
That has the lay of home and piss on all of your
Background and piss on all your surroundings
Courage, my word, it didn't come, it doesn't matter
Courage, it couldn't come at a worse time

So there's no simple explanation
For anything important any of us do
And yeah the human tragedy
Consists in the necessity
Of living with the consequences
Under pressure, under pressure.
Courage, my word, it didn't come, it doesn't matter,
Courage, it couldn't come at a worse time.
