

To Be Able to Love

Jessica Folker

I wont make a commitment to no

I can't let myself just go

It's not just I want to

My hearts says noI'm sorry but I can't stay

I hope that you forgive me when I say[Chorus:]

Darling I don't have a hope for you right now

Somebody's playing with my mind

But all I'm dreaming of is to be able to loveI can't give you no guarantee

If that's you want from me

I should have know better

But now you seeI'm sorry but I can't stay

I hope that you forgive me when I say[Chorus](But all I'm dreaming of is to be able to love)All I want is to treat
you right but I now I can't pretend

It will take just a little longer finding the key to love againDon't have a heart I need some time

It will take just a little longer to be able to love[Chorus (repeat)]Able to love
