

# All In One

## Warren Suicide

You, beyond my dreams  
And everything above  
Among the stars and love  
You shine brighter than it all  
My all in one And for you,  
I count the hours, seconds and heartbeats  
Because I know I want to spend the rest of my life  
Only with you Love, kisses, synchronicity, timeless and gaps  
You are the one  
You are my only one And for you,  
I will write endless melodies of love  
Because I need someone to harmoize with me  
My all in one Time, age, synchronicity  
Missed places, word will never ever  
Take your place  
In my mind, in my life  
My only one Love, kisses, synchronicity, timeless and gaps  
You are the one  
You are my only one You, beyond the dreams  
And everything above  
Among the stars  
I love I love only you  
My all in one  
My all in one  
You are my only one  
You are my only one
