

When You Believe

Leon Jackson

Many nights we've prayed
With no proof anyone could hear
In our hearts a hopeful song
We barely understood Now we are not afraid
Although we know there's much to fear
We were moving mountains long
Before we knew we could There can be miracles
When you believe
Though hope is frail
It's hard to kill Who knows what miracles
You can achieve
When you believe
Somehow you will
You will when you believe Easy to despair
When all you hear is fear and lies
Easy just to run and hide
Too frightened to begin But if we dare to dare
Don't wait for answers from the skies
Each of us can look inside
And hear this song within There can be miracles
When you believe
Though hope is frail
It's hard to kill Who knows what miracles
You can achieve
When you believe
Somehow you will
You will when you believe They don't always happen when you ask
And it's easy to give in to your fear
But when your blinded by your faith
Can't see your way clear through the rain
A small, but still resilient voice
Says hope is very near, ohh There can be miracles
When you believe
Though hope is frail
It's hard to kill Who knows what miracles
You can achieve
When you believe
Somehow you will
(Now you will)

And now you will You will, when you believe
You will, when you believe
