

Parvaneh (Butterfly)

[Archive](#)

I lie on my blue sheet so blue
Wait for sunrise and wait it brings
Wait for tomorrows I look to find
So tired sleep rest in peace Let the wind fulfill your dreams
Let the sea heal your wounds
Tell the trees secrets so deep In a kaftan of leaves I float
Sunrise bought me the peace I sought
I fly with no form to tie me down
I'm free to live, to live To let the wind heal my wounds
To let the sea fulfill my dreams
And heart the trees secrets so deep
