

# Dopeman

## Machine Gun Kelly

I just hung up wit the dope man  
He just pulled up in the O van  
Piece in my pocket click clack  
Bitch I don't trust nobody get back  
My tempo is slurred  
Twist that hash wit my herb  
Mix that soda and syrup  
Holdin' my strap like The Purge  
Undercovers is the undercovers  
Run motherfucker run motherfucker  
My homie Tone threw his 45 on the ground  
Both got lost and they never get found  
Cut through the park stay low, stay low  
Hear the pitbulls bark there they go  
I should've went to class this month  
But I said fuck that I'm ghost, so  
I just rolled up on the dope man  
(Ay, young gunna, okay)I just pulled up on the dope man, dope man  
I just pulled up on the dope man, dope man  
I just pulled up on the dope man, dope man  
I just pulled up on the dope man, dope manI got my slang from the dope man  
I always wanna hang wit the dope man  
I learned this game from the dope man  
Everybody give it up for the dope man  
I got my slang from the dope man  
I always wanna hang wit the dope man  
I learned this game from the dope man  
Everybody give it up for the dope manI just got a scale by the way  
Shout out Patty Cake by the way  
Told me never put a whole gram in a dime  
Give 'em point seven and them fools be fine  
But how you gon' sell by the way  
You ain't got a clientele by the way  
I'mma hit Tri-C wit a couple packs  
And if the motherfuckers sellin I'mma double back  
Phone ringin' more than the operator  
And the dealers who deliver gettin' all the paper  
I spend Sunday trapping on Union  
Serving my people like Communion

Can I front 'em a ten (No)  
Like I am not a friend (No)  
Give me money, take this (Dope)  
Can I get an amen?  
Kells! Okay I just pulled up on the dope man, dope man  
I just pulled up on the dope man, dope man  
I just pulled up on the dope man, dope man  
I just pulled up on the dope man, dope man I got my slang from the dope man  
I always wanna hang wit the dope man  
I learned this game from the dope man  
Everybody give it up for the dope man  
I got my slang from the dope man  
I always wanna hang wit the dope man  
I learned this game from the dope man  
Everybody give it up for the dope man We gotta make some money  
We can hit up Hassan with a better car  
Man fuck Hassan  
You gotta better idea?  
It's gonna be somethin' ya' know  
You can get a job at Mcdonald's
