Motherfucker

Money on my motherfucking mind

Cop five haircuts at the same time

White gold pants, jet ski made of wine

Foie gras bust of Albert Einstein

Get MoneyMoney out my motherfucking mouth

A mansion, a ranch, and a camp and a town

A motherfucking store with a floor made of scalps

Bobby from the block don't got rocks, he got Alps

Get MoneyMoney in the motherfucking jar

Shark fin pastry
Summers on Mars
Twenty motherfuckers in a levitating car
Seven-forty-seven full of women and cigars
Get money
Money in the motherfucking pot
A castle full of cars and the yard full of yachts
A leopard with a mink
And an arm full of clocks
All hand wound everyday by a Spock
Get moneyMoney is a motherfucking joke
Forty bald eagles sewn onto a coat
Zoo with the crib, mermaid in the moat
Buy another strip mall every eighth note
Get moneyMoney ain't a motherfucking prob
It's a sport I invented to win when I watch
And own all the rights and the lights and the locks
Even own all the ice in the Sprite you just dropped
Get moneyMoney or your motherfucking life
Two ton angel carved outta ice
Alligator sailboat, dollar sign eyes
Fill a warehouse full of Van Goghs twice
Get moneyMoney or your motherfucking heart
I could give it to my dog
He makes money when he barks
Or put it in my fridge
Or in one of my parks that i bought
So my robots could learn how to LARP
Get money
