If You Let Me Stay

Terence Trent D'Arby

Sweetheart
listen
I know the last few pages
Haven't been good for the both of usAnd I've caused you a lot of griefbut put those bags down
okay?
Before you make a decision like thatplease just listen to me'Cos I don't want to leaveI definitely don't want you to leaveJust hear me out:Honey
don't leave me now
with my head on my shoulders wrongHave I done something wrong for you to leave?
I know I've been careless
girl
and I must apologizeI'll try better next time
baby
if you let me stay.If you let me stay - I'll say what I should have said
If you let me stay - I should have said that I love you
If you let me stay - And I should have said it from my heart -
If you let me stay.Honey
don't compensate for my indiscretionsDear
tell me it's not too late
that I'd love to hear'Cause if you don't call on me
you will see a grown man cryI didn't miss my water
'til my world ran dry.
But if you let me stay - I'll say what I should have said - . . .Your pretentions aim for gullible foolsAnd now who needs you
anyway?
I'll get mine where I taught the schoolYou will regret it some day!If you let me stay - I'll say what I should have said - . . .
'Cause I need you
I'm not a man without you
baby.
If you let me stay - I'll say what I should have said - . . .
If you Let me stay - I'll say what I should have said - . . .
