Let Me Down Easy

Dusty Springfield

Now if you're gonna let me down
Let me down easy
So I won't be too hurt
After you've gone, after you've goneOh honey, if you're gonna set me down
Set me down easy
From that special cloud
You put me on, oohLet me down easy
Oh baby, let me down slow
So slow and easy
Oh, if you're gonna leave me, baby
Baby, please leave me a little memory
To soften the fall, oohLet me down easy
You gotta do it, you gotta do it
You gotta let me down slow
So slow, slowIf you're gonna let me down
Sweet baby, let me down so easy
So I can't be too hurt after you've gone
Ooh babyNow if you're gonna let me down
Let me down easy
So I won't be too hurt after you've gone
Baby baby baby babyAnd if you gonna set me down
Set me down easy
From that special cloud
You put me on, you put me on it, oh yeahAnd if you're gonna let me down
Let me down easy
So I won't be too hurt after you've gone
