Behind the Grey

Paradise Lost

I can't see much truth in what's being spoken
I can't see much hope in what lays brokenI've seen it many timespray for that day when you'll leave behind the grey
pray for that day when your feet could walk
on different soilYou've felt an omen...
"Oh another" I've heard this many times
When i speak, silence
So assure that you could find... I seek it morePray for that day when you'll leave behind the grey
Pray for that day when your feet could walk
On different soilPray for that day when you'll leave behind the grey
Pray for that day, and that night you came
You came and saw the earth...
