So Haunted (Knightlife Sun-Soaked Reprise)

Cut Copy

What's that you see?
There's all these satellites, satellites, satellites
Orbiting you and me
Just one glimpse can change a life, change a life, change a life
And you can see
Through all these satellites, satellites, satellites
Orbiting you and me
One glimpse change a life, change a life, change a life, change itI get so haunted, That I fall in your dreams tonight
I get so haunted, That I misunderstood tonightWhat's that you see?
There's all the satellites, satellites, satellites
Haunting you and me
Just one glimpse can change a life, change a life, change a life
And you can see
Through all these satellites, satellites, satellites
Haunting you and me
One glimpse change a life, change a life, change a life, change itI get so haunted, That I fall in your dreams tonight
I get so haunted, That I misunderstood tonightI get so haunted, That I fall in your dreams tonight
I get so haunted, That I misunderstood tonightThis is real, this is what you search out
And you wouldn't believe, you could never see it's trueYou can leave, and you could go out, search out
Harbor daze
Harbor daze
In a harbor daze
In a harbor daze
