Theme From 'Mahogany'

Motown

Do you know where youre going to?
Do you like the things that life is showin' you?
Where are you going to?
Do you know?Do you get what youre hopin' for
When you look behind you, theres no open doors
What are you hopin' for?
Do you know?Once we were standin' still in time
Chasin' the fantasies that filled our minds
You knew how I loved you but my spirit was free
Laughin at the questions that you once asked of meDo you know where youre going to?
Do you like the things that life is showing you
Where are you goin' to?
Do you know?Now lookin' back at all weve planned
We let so many dreams just slip through our hands
Why must we wait so long before well see
How sad the answers to those questions can be?Do you know where youre going to?
Do you like the things that life is showing you
Where are you going to?
Do you know?Do you get what youre hopin' for
When you look behind you, theres no open doors
What are you hopin' for?
Do you know?
