

The Garden

Vic Chesnutt

There's a dark fading light
In the garden where you
Lay your head tonight
Through the darkened hours
Were you thinking of me?
A state of sleep
Is what you'd rather be
There's a pale
Purple moonlight
In the garden where you
Lay your head to die
Frozen dreams and nightmares
Have you forgetting a dream
Of what you always thought
You could have been
Hey don't draw the line
Did you know that you're right
So baby blue don't cry
Don't you go now
Don't you go now
There's a stale morning light
In the garden where you lay
All through the night
Through this poisoned nightmare
Have you set yourself free?
With thoughts and dreams
Of what you're gonna be
Hey don't draw the line
Did you know that you're right
So baby blue don't cry
Don't you go now
Don't you go now
Hey don't draw the line
Did you know it'll be all right
So baby blue don't cry
Don't you go now
Don't you go now
Hey don't draw the line
Did you know it'll be all right
My baby blues don't cry
Don't you go now
Don't you go now
Hey don't draw the line

Did you know that you're right

So baby blue don't cry

Don't you go now

Don't you go now
