

When Will I See You

Pretenders

Went out on the balcony in the middle of the night
The hotel was dark except for just one light
Television burning in the other room
I couldn't sleep so I put on some of your
Hollywood perfumeI went out on the balcony and looked across the way
Some guy was shadow boxing, he looked like sugar ray
I was feeling dizzy - began to swoon
Was it his punch or was it just your
Hollywood perfume?I feel like a fugitive escaped from my life
Seeking refuge in the sensual heat
These paper-thin walls make me party to calls
Of love wafting through the room
The night jasmine bloom
Of your Hollywood perfumeI went out on the balcony to clear my head
I was burning up in my queen-sized bed
Down on the strip beneath the billboard moon
Teenaged girls look for love in the
Neon sex and doom
Of your Hollywood perfume
