Let It Roar

W.a.s.p.

Oh get up on your feet
It's time to rumble, oh
It's all you got
It's all that you're living for
Oh, it'll drive your crazy
You're gonna feel like Superman
You feel the rush
You know you're gonna feel the roarThunder at your feet
Are you praying
Kneel to your Gods
Gonna roar, oh oh
Bring what you need
Drive you crazy
Come and bring the noise
You've been dying forLet it roar, oh what's it gonna be?
Come on and stand for what you believe
Oh you gotta get up on your feet
Or die on your kneesLet it roar, 'cause I wanna be, oh yeah
'Cause I , 'cause I believe in something
Oh, give me thunder, oh I'm gonna let it roarOh get down on your knees
And bow to thunder, oh
Whose your God?
What are you praying for?
Oh it's a killer baby
Oh are you gonna die in vain?
Will you cry? Oh no
You gotta let it roarThunder at your feet
Are you praying
Kneel to your Gods
Gonna roar, oh oh
Bring what you need
Drive you crazy
Come and bring the noise
You've been dying forLet it roar, oh what's it gonna be?
Come on and stand for what you believe
Oh you gotta get up on your feet
Or die on your kneesLet it roar, 'cause I wanna be, oh yeah
'Cause I , 'cause I believe in something
Oh, give me thunder, oh let it roarLet it roar, oh what's it gonna be?

Come on and stand for what you believe
Oh you gotta get up on your feet
Or die on your kneesLet it roar, 'cause I wanna be, oh yeah
'Cause I , 'cause I believe in something
Oh, give me thunder, oh let it roarLet it roar, 'cause I wanna be, oh yeah
'Cause I , 'cause I believe in something
Oh you gotta get up on your feet
Or die on your knees
