

Inner Incineration

Napalm Death

Malformed spirit
An infestation
Suppressing ways
Of communication Depression lingers
Then the journey
At wits end
In a socialized hell Confusion
In recognition
Pessimistic
Thoughts invade Shared amounts
To achieve a goal
Roles reversed
Could summon change Confusion
In recognition
Pessimistic
Thoughts invade Shared amounts
To achieve a goal
Roles reversed
Could summon change, change Expectations are inquired
Exceptions should be required
