

Out Of My Way

Seether

Out of my way

Out of my way I cant pass up this opportunity to make myself absurd

I cant pass up this opportunity to let myself be heard

Would you, like to be the one who sees me lose this all

Would you like to be the one who sees me fall Nobodys gonna stand in my way

Give it up son, Im doin this my way

Nobodys gonna stand in my way

Give it up son, Im doin this my way You like to think the worst is over now, but you can't breathe at all

You like to think youre owed a favor now, man, youve seen it all Did you want to be the one who pushed me off
the wall?

Did you want to be the one who let me fall? Nobodys gonna stand in my way

Give it up son, Im doin this my way

Nobodys gonna stand in my way

Give it up son, Im doin this my way You cant hold me down

You cant hold me down

You cant hold me down

You cant hold me down I cant pass up this opportunity to make myself absurd

I cant pass up this opportunity to let myself be heard

Would you, like to be the one who sees me lose this all

Would you like to be the one who sees me fall Nobodys gonna stand in my way

Give it up son, Im doin this my way

Nobodys gonna stand in my way

Give it up son, Im doin this my way Nobodys gonna stand in my way

Give it up, Im doin this my way

Nobodys gonna stand in my way

Give it up, Im doin this my way

Out of my way
