

Church On Tuesday

Stone Temple Pilots

And I don't believe it
Is she really gone again?
And I don't believe it
Is she really gone again?
I'll find a way to you someday
I'll find a way to you someday
And I don't believe it
Is she really gone again?
And I don't believe it
Is she really gone again?
I'll find a way to you someday
I'll find a way to you someday
Fathers always smokin'
And your Mom's at Church on Tuesday
And your brother's always drinkin' and dyin'
Fathers always smokin'
And your Mom's at Church on Tuesday
And your brother's always drinkin' and dyin'
And I don't believe it
Is she really gone again?
And I don't believe it
Is she really gone again?
I'll find a way to you someday
I'll find a way to you someday
Fathers always smokin'
And your Mom's at Church on Tuesday
And your brother's always drinkin' and dyin'
Fathers always smokin'
And your Mom's at Church on Tuesday
And your brother's always drinkin' and dyin'
Fathers always smokin'
And your Mom's at Church on Tuesday
And your brother's always drinkin' and dyin'
Fathers always smokin'
And your Mom's at Church on Tuesday
And your brother's always drinkin' and dyin'
Fathers always smokin'
And your Mom's at Church on Tuesday
And your brother's always drinkin' and dyin'

Fathers always smokin'
And your Mom's at Church on Tuesday
And your brother's always drinkin' and dyin'
Fathers always smokin'
And your Mom's at Church on Tuesday
And your brother's always drinkin' and dyin'
