

It's On

BRONCHO

If you show up in my room with no clothes on, it's on
If you try to bust me out with your bail bonds on, it's on
 We could go to L.A., we could drink manhattans,
 We could go to Chez Jays, we could get old fashion
It's onIf you try to cuddle up you get kicked out of class
 And if you cuddle again you cut out last
 Larry get a show at a touch and tell
 When he's bringing you down, he'll bring you to hell
It's onLarry get a show at a touch and tellBilly told Mary told Tommy told sue it's on
 Larry told Barry told me told you it's on
 I can only imagine we'd all be fine
When you're dressed, when you're dressed to the nines
 It's on
 If you try to bail me out, it's on
