

You Know Who I Am

Leonard Cohen

I cannot follow you, my love
You cannot follow me
I am the distance you put between
All of the moments that we will be You know who I am
You've stared at the sun
Well I am the one who loves
Changing from nothing to one Sometimes I need you naked
Sometimes I need you wild
I need you to carry my children in
And I need you to kill a child You know who I am
You've stared at the sun
Well I am the one who loves
Changing from nothing to one If you should ever track me down
I will surrender there
And I will leave with you one broken man
Whom I will teach you to repair You know who I am
You've stared at the sun
Well I am the one who loves
Changing from nothing to one I cannot follow you, my love
You cannot follow me
I am the distance you put between
All of the moments that we will be You know who I am
You've stared at the sun
Well I am the one who loves
Changing from nothing to one
