

# Ghetto Angel

Marques Houston

(Ghetto angel)  
Ghetto  
(Ghetto angel)  
Angel  
(Ghetto angel)  
Wassup  
(Ghetto angel)  
Damn, my baby is so fine  
And she always on the grind  
She know she one of a kind  
And she always say that what's hers is mine, my baby  
And vice versa what's mine is hers  
She ain't faced by them other birds, yeah  
She ain't never been much for words  
Don't fuck around and get, get your feelings hurt  
My baby is so  
Ghetto  
(Ghetto)  
Angel  
(Angel)  
You'll know it when you see her  
You can tell by her demeanor  
She's my  
Ghetto  
(Ghetto)  
Angel  
She always got my back  
And I guess I love the fact that she's  
Ghetto, oh, oh, angel, oh, oh, oh  
And whenever things get deep  
She's right there next to me, she's my  
Ghetto angel  
(My love)  
Ghetto angel  
(Get one)  
Ghetto angel  
(Oh)  
Ghetto angel  
My baby don't play no games

Said she's allergic to the lames  
I'm in love with the way she's framed  
And I'm talking 'bout her body  
And our love is off the chain, listen  
She got money but still the same  
Not affected by all the fame  
And like the ghetto from where she came  
Ain't a damn thing change  
That's why she's my

Ghetto

(Ghetto)

Angel

(Angel)

You'll know it when you see her  
You can tell by her demeanor

She's my

Ghetto

(Ghetto)

Angel

(Angel)

She always got my back  
And I guess I love the fact that she's  
Ghetto, oh, oh, oh, angel, oh, oh, oh  
And whenever things get deep  
She's right there next to me, she's my

Ghetto angel

(My love)

Ghetto angel

(Ghetto)

Angel

(Angel)

You'll know it when you see her  
You can tell by her demeanor

She's my

(Ghetto)

Angel

She always got my back  
And I guess I like the fact that she's  
Ghetto, oh, oh, oh, angel, oh, oh, oh  
And whenever things get deep  
She's always there for me, woah  
Ghetto angel  
(Ghetto angel)  
Ghetto Angel  
Ghetto angel  
Ghetto angel  
Oh, that's why she is my  
Ghetto, ghetto, angel, angel  
That is why she is my  
Ghetto, ghetto, angel, angel  
That is why she is my  
Ghetto angel  
She is my  
Ghetto angel, ooh
