

# Give Up the Grudge

Gob

Don't make me listen to the stupid broken record again  
The needle's skippin' and repeatin' never reaching the end  
You know you're bitching and complaining like you've got it so tough  
We're sick of all your crying will you ever shut up? So keep bleeding your fake blood 'til no one even sees it  
If that's the best you can make up at least act like you mean it Give up the grudge, you better shut your mouth  
Why you gotta judge everybody but yourself?  
Take a look around you, there ain't nobody home  
I may be a loser but at least I'm not alone Your Mercedes won't start, yeah that's a crying shame  
I guess 90 K a year buys nothing but complaints  
The people in my neighborhood think that I'm a threat  
While the boss gets richer they get deeper in debt So keep bleeding your fake blood 'til no one even sees it  
If that's the best you can make up at least act like you mean it Give up the grudge, you better shut your mouth  
Why you gotta judge everybody but yourself?  
Take a look around you, there ain't nobody home  
I may be a loser but at least I'm not alone Give up the grudge, you better shut your mouth  
Why you gotta judge everybody but yourself?  
Take a look around you, there ain't nobody home  
I may be a loser but at least I'm not alone Give up the grudge, you better shut your mouth  
Why you gotta judge everybody but yourself?  
Take a look around you, there ain't nobody home  
I may be a loser but at least I'm not alone
