

She's Just An Old Love Turned Memory

George Jones & Tammy Wynette

I called you today, an accidental mistake
And your name slipped out to some friend
Forgotten old feelings are brand new today
'Cause I'm right back where I've always been You're just an old love turned memory
Now I seldom see her around
You're just an old love turned memory
But you still turns my world upside down I went to some places where I knew you'd be
Just to prove our love was over and done
But the moment my eyes meet yours, I knew
My sorrow had only begun You're just an old love turned memory
Now I seldom see her around
You're just an old love turned memory
But you still turns my world upside down
