From Afar

Vance Joy

You told me 'boy look the other way'
You told me 'boy bite your tongue'
Yes that's not the way,
Yeah that's not the way
Ah that's just not the way that friends behave
Ah that's just not the way that friends behave
Oh no, no, no,
No, no, no, noYou lined me up
Across the room
Two falling sparks
One willing fool
And I, I always knew
That I would love you from afarYou told me 'boy look the other way'
You told me 'boy hide those hands'
Well I've been living on the crumbs of your love
And I'm starving nowAnd that is just the way that we remain
Ah that will be the way that we remain
Oh no no no
No no no noYou lined me up
Across the room
Two falling sparks
One willing fool
And I, I always knew
That I would love you from afarYou lined me up
Across the room
Two falling sparks
One willing fool
And I, I always knew
That I would love you from afarIt shouldn't come as a surprise
What I'm feeling, what I'm feeling now
It shouldn't come as a surprise
She got darling hazel eyesIt shouldn't come as a surprise
What I'm feeling, what I'm feeling nowIt shouldn't come as a surprise
What I'm feeling, what I'm feeling nowIt shouldn't come as a surprise
What I'm feeling, what I'm feeling nowIt shouldn't come as a surprise
What I'm feeling, what I'm feeling now
