

# Here She Comes Now

## Nirvana

now, if she ever comes down now  
if she ever comes down now  
if she ever comes now now, if she ever comes down now  
if she ever comes down now  
if she ever comes now Aah, she looks so good  
aah, she's made out of wood  
she's sonow, if she ever comes down now  
if she ever comes down now  
if she ever comes now Aah, she looks so good  
aah, she's made out of wood  
she's sonow, if she ever comes down now  
if she ever comes down now  
if she ever comes now now, if she ever comes down now  
if she ever comes down now  
if she ever comes now Aah, she looks so good  
aah, she's made out of wood  
she's sonow, if she ever comes down now  
if she ever comes down now  
if she ever comes now now, if she ever comes down now  
if she ever comes down now  
if she ever comes now Aah, she looks so good  
aah, she's made out of wood  
Aah, she looks so good  
aah, she's made out of wood if she ever comes down now
