

Hov Lane

Nicki Minaj

Zippping I'm zippping I'm zippping
Soon as they come out I'm dipping
Big ass closet I'm tripping
Big booty strippers I'm tipping
Big ass chain I'm heavy
An it didn't cost me a penny
They pay me to rocket
Dam I got niggas in pocket
Superbowl grammys
What a hell of a jammie
All these bitches my sons
I'm a get em a nanny
Argentina for pepsi
Orlando all star
F*ck you said bitch
F*ck you porn star
I ont do shot gun
I be driving my own car
I dont do shots neither
I'm buying the whole bar
Holy moly G cop me a roly
I ain't catching the puck
But iced out like a goaly Nigga
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)
I travel more than you walking with a basketball
I'm out in Spain running games to the Matador
I'm in my own lane,
You ain't in my category

You like a rav 4
I'm like the aventador
Perks and bags
man, I murk them ads
When I re up on reloaded
I'm a hurt them bad
Every shoot is hot
When I'm out I'm spotted
They gone frame the receipt
If I sign the dotted
N-n-n-niggas on banshees is speeding
Dirt bikes are out for the season
Back break wheeling and leading
Dam a bitch late for a meeting
(n-n-n)
Nypd coming
Bellbock way we gunning
Double our engine humming
Actin a fool we dumbing
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)
Intendo we in the end zone
I dont give a f*ck ho*
Like we in the friend zone
What the f*ck it look like
What the f*ck it's hitting foe
Tell them bitches y-y-y-y-you ain't about that life
Intendo we in the end zone
I dont give a f*ck hoe
Like we in the friend zone
What the f*ck it look like
What the f*ck it's hitting foe
Tell them bitches y-y-y-y-you ain't about that life
I'm in the HOV lane
I'm in the HOV lane

(And you y-you-you, you? Soul train)
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)
