

# I Love Playing With Fire

## The Runaways

My one and only shining star said  
"Stick with me and I'll take you far  
Your eyes are sparkling with teenage fire  
I'll satisfy your mad desires 'cause I love playing with fire  
And I don't wanna get burned  
I love playing with fire  
And I don't think I'll ever learn My heart is aching to see you play  
And I can't wait till another day  
The way you shake me is really hot  
You know how to use what you got I love playing with fire  
And I don't wanna get burned  
I love playing with fire  
And I don't think I'll ever learn Acting tough with looks that kill  
You got me going and I can't stand still  
My arms are dying to hold ya tight  
You're my little dark dynamite you know I love playing with fire  
And I don't wanna get burned  
I love playing with fire  
And I don't think I'll ever learn"
