Here Comes the Bombs

Ima Robot

And our bureaucratic collective elite
(With our good in mind, of course)
Have turned all focus to the remaining nemesis
Spinning themselves from the axis of evilDisease and terror, disease and terror
And this is America, impenetrable America
And Ima Robot, Ima RobotNow we're award-winning
Get this one-time offer
Buy our album pleaseWe got five stars
It will change your life
And make traffic bearable
For only $15.99
Get it 'cause you're running out of timeHere come the bombs, life is over
Here come the bombs, it's a nuke, ah
Here come the bombs, run for cover
Here come the bombs, now help each otherListen up, they get your limited lunch pail
With the Superkids Value Meal
We don't charge extra touching fees
So touch me, pleaseAnd get your free autographed knee pads
And for the homies we've got autographed ski masks
Hell no, we can't get you no free pass
But if you want, you can follow us into rehabHere come the bombs, life is over
Here come the bombs, it's a nuke, ah
Here come the bombs, run for cover
Here come the bombs, run for coverWe sell it, you buy it
You dyin' to try it?
We sell it, you buy it
You dyin' to try it?We sell it, you buy it
You dyin' to try it?
We sell it, you buy it
While people are dyin'You sell it, you buy it
You're dyin' to try it
You buy it, we sell it
While people are yellin'Here come the bombs
Here come the bombs
Here come the bombs
Here they comeHere come the bombs, life is over
Here come the bombs, it's a nuke, ah
Here come the bombs, run for cover
Here come the bombs, run for cover
