

# Song For Jo

[Scarlett Johansson](#)

Do you remember  
How we've fallen asleep on the bathroom floor  
Wasn't always pretty, on the white tiles  
Cold as the sound as your daddies houseThe wake abandon  
Smoke out the window flows from your daddies house  
You're enlightening  
Small hands of a women, with an animal barnYou know...you know  
Broke my prop for a minute  
This blankets in the moment  
In your daddies house[A beat playing over Johansson, saying random words]
