

Private World

New York Dolls

Oh, break-downTo a private world
To a private worldWell, I just lost a love, I'm bound, she drowned or something else
'Cause I get cool and lonely, feelin' sorry for myselfI need a private world
A private worldOh, you call that drivin' then you see us dream
I call it laughing, tryin' hard not to screamPrivate world
Oh, a private worldOh, the joint start shakin', it's ready to crumble
The boys are dukin', lookin' for a rumbleNeed a private world
I need a private worldOne that is movin'
At least I'm movin', better shut that door
Private world, private girl, private world
Better keep it confidentialPrivate world
Whoa oh-oh, private worldOh, you know I want some money, she replies
When uptown comes downtown, better take her for a rideInto the private world
I think it's a private worldOh, baby call, call my name
I'm tryin to explain', that I'm not the sameIn a private world
Oh, a private world'Cause I just lost a love, I'm bound, she drowned or something else
'Cause I get cool and lonely, feelin' sorry for myselfI need a private world
Oh, a private worldOne that is movin'
At least I'm movin', shut that door
Private world, private girl, private world
You better keep it confidentialYou got to keep it confidential
You got to keep it confidential
When I says hush
Child, dont you cry
I'm beggin' you hush
And dry those tears from your eyes
You gotta hush
Dontcha know you gotta hushOh, alright
