

# All Again For You

## We The Kings

I couldn't sleep last night  
I walked alone on the beach  
Where we always used to go  
When we couldn't hook up at home  
I thought of you  
And the time we jumped the fence  
Both sides ripped down, we dove right in  
And the cops chased us again  
When you were mine, you know  
We had it all in front of us  
You were the one, I was in love  
But you always hurt the one you lost  
I couldn't get enough  
You were everything that's bad for me  
Make no apologies  
I'm crushed, black and blue  
But you know I'd do it all again for you  
Today, dressed up in designer drugs  
Dedicated to the one I'll always love  
The one who really messed me up  
I let you take the wheel and the driver's seat  
Strapped in, so you get the best of me  
Now what's left are the memories

When you were mine, you know  
We had it all in front of us  
You were the one, I was in love  
But you always hurt the one you lost  
I couldn't get enough  
You were everything that's bad for me  
Make no apologies  
I'm crushed, black and blue  
But you know I'd do it all again for you  
I am standing in the ocean rain  
Rough and ready for your deadly game  
I've got nowhere else to go  
We had it all in front of us  
You were the one, I was in love  
But you always hurt the one you lost

I couldn't get enough  
You were everything that's bad for me  
Make no apologies  
I'm crushed, black and blue  
But you know I'd do it all again for you  
You know I'd do it all again  
I swear I'd do it all again  
You know I'd do it all again
