

The Dame Says

Ivy Levan

I said trick or treat
They said that I got to keep it sweet
But I'mma do my thang
You got a problem, you can kiss this ring

Now you act like you got some class
But do you know how to back that ass up
Watch me drop the hurt
Make money money, make money money work
Make money money, make money money work
Make money work

All eyes on me
All eyes on me
I'mma give you what you need
I'mma give you what you need
All eyes on me
All eyes on me
I'm a give you what you need
Cuz if you like it rough you'll love it when I give it to you raw

You see I got my cake
And I fuckin' ate it too (okay)
I'm a grade A steak
You ain't nothin' but dog food (woof)

Now you act like you got some class
But do you know how to back that ass up
Watch me drop the hurt
Make money money, make money money work
Make money money, make money money work
Make money work

All eyes on me
All eyes on me
I'mma give you what you need
I'mma give you what you need
All eyes on me
All eyes on me
I'mma give you what you need

Cause if you like it rough you'll love it when I give it to you raw
