Touched

Earl

Mother moon, here I am
Lay me down at your feet
IÂ´ve been wrapped up in darkness
And itÂ´s time to be seen

I wanna be seen like I
Never been seen like IÂ´ll
Never be seen again

I wanna held like I
Never been held
Like IÂ´ll never be held again

IÂ´m done lying
IÂ´m done crying
I ainÂ´t tracing no more smoke
IÂ´m just ready
IÂ´m so ready
To let the right one in

I wanna be held like I
Never been held like I
Never be held again

I wanna be touched like I
Never been touched
Like IÂ´ll never be touched again

I wanna be free like I
Never been free like IÂ´ll
Never be free again, oh

I wanna be loved like I
Never been loved like I
Never been loved again, oh
