

# Hey Bartender

Jeff Capo

I went balling the other night  
I started drinking and got real tight  
I blew each and all my friends  
I felt so good I had to blow it again

I said Hey bartender  
Hey man, looka here  
A draw one, draw two, draw three, four glasses of beer

Well I saw a chick sitting on the end  
I said Baby can't we be friends  
You're looking sweet as you can be  
Well come on down and drink with me

I said Hey bartender  
Hey man looka here  
Draw one, draw two, draw three, four glasses of beer  
Elwood!

Well we was having so much fun  
I didn't know it was half past one  
I turned around to have on more  
I looked at the clock and it was half past four

Hey bartender  
Hey man look a here  
A draw one, draw two, draw three, four glasses of beer

Well jukebox girl is everything  
All the cats began to sing  
I heard somebody called and said  
Last round for alcohol

I said Hey bartender  
Hey bartender  
Hey bartender  
Hey bartender  
Draw one, two, three, four glasses of beer
